

Bug remover

Specifications & Properties

Flash Point: N/A

Physical State: Green viscous Liquid

Flammable: No

Description

Bug Remover This concentrate is a highly effective cleaner designed to loosen and remove insects and insect stains from windshields, lights, chrome and painted surfaces. It is completely safe and will not harm paint, chrome or rubber.

Features & Benefits

- Phosphate free
- Economical concentrate

Safe on all surfaces

Applications

- Automotive
- Heavy Equipment

Directions

Bug Remover For use in wash tanks at service stations add 20 - 25 ml/litre of water (3 - 4 oz/gallon). Apply solution to windshield with either a sprayer or a sponge, scrub surface and remove residue with a squeegee. For windshield reservoirs add 60 ml (2 oz) to a full reservoir of water. (Be sure to empty before freezing weather in the fall.) Bugs will soften up and be removed after 2 or 3 wash cycles.

Packaging & Handling

Bug Remover is available in 4x4L, 20L, 115L, 205L containers. Product can be stored in high-density polyethylene, polypropylene or fiberglass containers.
