

AB-50 Industrial Degreaser

Specifications & Properties

Flash Point: Not Applicable

Physical State: Liquid

Flammable: NO

Description

AB-50 – this is a completely water-soluble product that provides exceptional degreasing & cleaning for a wide variety of surfaces. It is non-flammable, rinses well and leaves no film or offensive odors. It is ideally suited for degreasing and cleaning of engines, off road equipment, concrete floors and whitewall tires. It may be applied by pressure washer, steam cleaner or by brush.

Features & Benefits

- Exceptional in Health & Environmental Safety,
- Superior rinsing profile,
- Safe on all surfaces.

Applications

- Heavy equipment,
- motors, engines & tools,
- Pipeline equipment,
- Drilling equipment.

Directions

AB-50 works on engines, floors, etc. (@5:1) and as a general purpose cleaner (@20:1). Simply spray affected area with B-50 through a sprayer or pressure washer, allow product to penetrate and lift deposits. Agitate contaminate if required and rinse with water when finished cleaning affected area.

Packaging & Handling

AB-50 is available in 4L, 20L, 208L containers. This product can also be stored in high-density polyethylene, polypropylene or Fiberglass containers.
